DJ SANGHVI COLLEGE OF ENGINEERING

8.66 CGPA across 3 semesters

**2021-2025**

## ■ PROJECTS

HOTEL BOOKING WEBSITE

Made a website where hotel owners can display list their hotels. Users can book these hotels. There is complete authentication system implemented

JOB ROUTING WEBSITE

This was a group project made for a hackathon. Its a website where clients can login, send requests(as a gig). Workers will see this on their side and can send a price. The client can further on bargain with them
